

CCRAS SPARK aur Government AYUSH Fellowships

Deep Research Report – Active/Recent Official Guidelines (Hinglish)

Research date: 2 September 2026 | **Language:** Hinglish | **Source preference:** Official CCRAS, Ministry of AYUSH aur Government sources.

Note: 'Active' programme aur 'applications currently open' ek hi cheez nahi hote. Is report me latest official cycle, recent notices aur ongoing programme activity ko clearly distinguish kiya gaya hai.

1. Overview

CCRAS (Central Council for Research in Ayurvedic Sciences), Ministry of AYUSH ke under Ayurveda research ko support karne ke liye student aur researcher level programmes chalata hai. Official CCRAS ecosystem me UG research ke liye SPARK, PG scholars ke liye PG-STAR, doctoral level ke liye AYUSH Ph.D. Fellowship aur advanced research ke liye Post-Doctoral Fellowship (PDF) jaise programmes dikhte hain.

2. CCRAS SPARK – Latest Official Cycle

Full form: Studentship Program for Ayurveda Research Ken (SPARK). SPARK ka main objective undergraduate Ayurveda students me research methodology, scientific thinking aur hands-on research experience develop karna hai.

Latest identified cycle: SPARK-4.0 (2025-26). Official CCRAS notice ke according registration 15 October 2025 se start hua tha. SPARK portal aur CCRAS documents me 2026 me selection, project reporting aur awardee results ki official activity available hai.

Topic	Official/Latest information
Eligibility	I to IV Professional/Year ke BAMS UG students, recognised Ayurveda institutions ke context me latest SPARK-4.0 flyer me eligibility di gayi.
Studentship	SPARK-4.0 flyer: 300 studentships; total ₹50,000 per selected student (₹25,000 per month × 2 months).
Application mode	Online SPARK portal. Required prescribed documents aur college endorsement follow karna hota hai.
College screening	Proposal College Screening Committee se recommend hona aur Head/Institution authority se endorse hona required.
10% rule	College ke annual sanctioned UG intake ke maximum 10% tak proposals forward kiye ja sakte hain.
Guide clarification	Latest portal clarification ke mutabik Ayurveda College/Institute ka teacher guide ho sakta hai, lekin project topic student ke relevant professional-year subject scope me hona chahiye.
Documents	Application Attestation Form, College Forwarding Letter aur prescribed supporting documents required hote hain.
Final reporting	SPARK-4.0 revised timeline me final report portal submission 30 June 2026, 5 PM tak thi.
Latest result	CCRAS ne SPARK-4.0 (2025-26 Session) awardees/result ka official notice August 2026 me publish kiya.

3. SPARK-4.0 Timeline and Current Status

Latest official cycle me proposal registration 15 October 2025 se 15 November 2025 tak tha. Revised process me screening, expert review, selection, monthly reports aur final report phases 2026 me complete hue. CCRAS portal par awardee result announce hone ka notice bhi August 2026 me available hai. Isliye 2 September 2026 ke hisaab se SPARK-4.0 ka fresh application window open nahi maana jana chahiye; next cycle ke liye latest CCRAS notice check karna zaroori hai.

4. PG-STAR

PG-STAR CCRAS ka postgraduate Ayurveda research-oriented programme hai. Official CCRAS 2025-26 aur 2026-27 programme activity/calendar material me PG-STAR Session 04 ke registration, proposal aur merit-related activities documented hain. Isse programme ka ongoing institutional execution confirm hota hai. Lekin exact eligibility, award amount

aur next application date ke liye latest session-specific advertisement ko final authority maana jana chahiye.

5. AYUSH Ph.D. Fellowship

AYUSH Ph.D. Fellowship doctoral-level research support pathway hai. CCRAS official portals/programme ecosystem me AYUSH PhD Scheme listed hai aur 2026 calendar material me fellowship-related activities recorded hain. Candidate ko stream/category-specific latest advertisement, eligibility conditions, host institution rules aur proposal requirements carefully verify karni chahiye.

6. CCRAS Post-Doctoral Fellowship (PDF)

Post-Doctoral Fellowship advanced researchers ke liye higher-level research support programme hai. CCRAS official programme ecosystem me PDF listed hai aur recent official activities/notices ke basis par scheme institutional fellowship pathway ka part hai. Isme batch-specific notification, research proposal aur eligibility conditions important hote hain.

7. Deep Research Analysis: AYUSH Research Pathway

UG Level → SPARK: Early-stage Ayurveda students ko research methodology aur short-term research project exposure.

PG Level → PG-STAR: Postgraduate scholars ko structured research support aur proposal-based activity.

Doctoral Level → AYUSH Ph.D. Fellowship: Long-term doctoral research pathway.

Post-Doctoral Level → PDF: Ph.D. ke baad advanced independent/specialised research.

Yeh structure ek logical research pipeline create karta hai jahan student undergraduate stage se progressively advanced research level tak ja sakta hai.

8. Important Difference: Programme Active vs Application Open

Kisi scheme ka active hona automatically iska proof nahi hota ki applications usi din open hain. Government fellowships batch, session aur notification ke basis par open hoti hain. Isliye latest official advertisement ki closing date aur eligibility ko priority deni chahiye.

9. Applicant Preparation Checklist

- Latest official notification download karo.
- Eligibility aur academic stage verify karo.
- Research topic ko programme scope se match karo.
- Guide/supervisor eligibility check karo.
- College/institution approval aur forwarding documents ready rakho.
- Proposal aur supporting PDFs readable format me upload karo.
- Ethics requirements, agar applicable hon, pehle complete karo.
- Deadline se pehle portal submission complete karo.
- Selection ke baad progress report aur final report deadlines follow karo.

10. Key Findings

1. SPARK-4.0 latest identified completed/recent cycle hai aur August 2026 me awardee result officially published hua.
2. SPARK ka latest cycle undergraduate BAMS research studentship ke liye 300 studentships aur ₹50,000 total studentship amount ke framework ke saath publicised tha.
3. College-level screening aur maximum 10% annual UG sanctioned intake proposal rule important compliance point hai.
4. CCRAS ecosystem UG, PG, Ph.D. aur Post-Doctoral research stages ko cover karne wale programmes maintain karta hai.
5. Exact future application dates ke liye official notification hi final source hai.
