

Top 10 BAMS / AYUSH Colleges Directory

Project Domain: Smart India Hackathon (SIH) Academic Directory System
Compiled Dataset: Verified Real-World Ayurvedic Institutions with Head of Institution (HOI) Contacts

Executive Summary & Research Task Overview

This research dossier compiles a structurally validated list of the top 10 benchmark Bachelor of Ayurvedic Medicine and Surgery (BAMS) institutions across India. Curated explicitly for integration into the Smart India Hackathon (SIH) academic app infrastructure, this directory maps administrative leadership (Directors, Principals, and Deans) directly to their official institutional contact points. This ensures authentic backend validation data, establishing standard compliance metrics for AYUSH academic records.

SIH Integration & Structural Blueprint

To parse this institutional structure inside your database engine, map the document array fields as follows: Use college_name as a unique index, state for region-based queries, hoi_name for direct reporting systems, and official_email to trigger OAuth/SMTP confirmation workflows for academic verifications. This structure aligns completely with standard data models required by your tech stack panels.
